

# CONFORMITY DECLARATION

Manufacturer Name: **PEPI RER**

Manufacturer Address: **Parka 25, Valka, LV – 4701, LATVIA**

Product: **Edge insulation strip**

Description: LDPE foam strip in thickness of 3 – 10 mm

Application: permanently flexible filler for dynamically loaded expansion joints between screed and interior wall, for industrial floors, heated floors, floating floors.

Standard(s) to which  
Conformity is Declared: **EN 13501-1:2007**  
(Reaction to fire classification: F)  
**EN ISO 140-8:1998**  
(Reduction of impact sound pressure level  $\Delta L_w$ )  
**SISÄ RYL 2000**  
(Finnish quality demands for building works inside the house)  
**M1 emissivity classification for building materials**

Complementary Information:  
Conformity certificate No. 1448/09 of 25.03.2009 (Conformity to safety and quality requirements)  
Test report No. VTT - RTE1446/04 of 10.05.2004 (Determination of impact sound insulation)  
Test report No. 20-50.2008.5 of 22.12.2008 (Reaction to fire)  
Emission classification of building materials: general instructions

**I, the undersigned, hereby declare that the product specified above conforms to the specified European Directive(s) and Standards and is made of the best raw materials.**
